Alcune persone che vivono nella zona delle West Midlands, in Inghilterra, vogliono fare una gita di un giorno nella zona. Leggi qui sotto le quattro alternative tra cui possono scegliere e abbina a ciascuna persona l'attività che ritieni più adatta a lui o lei (ATTENZIONE: ci sono quattro proposte e solo tre persone, quindi un'attività non verrà scelta da nessuno).

See what's on in the West Midlands this summer:
A) Stratford Butterfly Farm
The biggest butterfly farm in Europe. Whatever the weather come and see these beautiful creatures as they would live in their natural environment. Walk around a tropical rainforest as butterflies fly freely around you. See them as they come into the world in the Caterpillar Room. And don't miss Insect City where you can view huge spiders and our very own scorpion colony!
B) Coventry Transport Museum
Coventry Transport Museum hosts the world's largest transport collection. A day out here will give you the chance to see some of the earliest motor cars as well as more modern vehicles like the De Lorean 'back from the future' car. You can also design your own car and experience what breaking the sound barrier at 763 miles an hour feels like.
C) Hatton Country World
If you're keen on seeing unique crafts and craft work side-by-side with antique shops and a traditional butchers shop, Hatton Country World is the place for you. As well as these wonderful shops you'll be able to enjoy the Farm Park with many farm animals to help keep the kids entertained.
D) Black Country Museum
It's been called Britain's friendliest open-air museum. Come to Black Country Museum and discover an old-fashioned village by the canal. Look around original old-fashioned shops and houses, see what it's like down a mine and take a ride on a tramcar.
